The December meeting was a joint meeting with the Greenwood and Greenville Chapters, held in Greenville at the Presbr. Church and hosted by the Greenville Chapter. Mr. Babb, of Charleston, spoke on reading and listing cemeteries. Most informative! Also a show and tell after the speaker, lots of info changed hands. Then the delicious refreshments served by the Greenville Chapter. We were represented by fourteen of our members.

Remember to fill out the Pedigree Charts and return to the Greenville Chapter to be included in the next publication. Greenville has done an excellent job, assembling and printing the Genealogy Charts for the State, This is the most family information we have seen in anyone book. Be sure to return yours so The Pendleton Chapter will be well represented.
