

100-1077

PENDLETON DISTRICT CHAPTER 3035

Our next meeting will be Tuesday January 12, 1978 at 7:30 PM at Home Federal Savings and Loan in Lakeview Plaza, Clemson.

Note The Change of Meeting Place; this change was made because of the opinions and wishes expressed at the last meeting.

Program: to be announced; at our last meeting, we discussed a ten minute problem period. Bring your genealogical labyrinth problem and find your missing royalty (or horse thief).

At our December meeting, the new officers were installed, and plans for the new year were discussed. A photograph of our new officers appeared in the Clemson "Messenger". We also received two new members from Central.

We wish to thank Mrs. Sarah Tims and Mrs. Era Davis and others for their work on the cemetery project during the past year. Mr. Riggs Woodman continues his work of typing the cemetery lists; anyone who wishes to help Mr. Woodman with typing please call 639-5897 (office) or 654-5360 (home).

Don't forget to bring your check for dues to the January meeting. They are \$7 for the year, and checks are made payable to the "Pendleton District Chapter 3035". The money may also be mailed to Mrs. Era Davis, Route 4, Pickens, SC 29671.

Everyone who was a member as of September 1977 should have received a copy of the state publication The Carolina Herald during the past week or two.

The Continuing Education Program at Clemson University is planning a course in genealogy, and information will be available later as it develops.

A series of three one-day tours on genealogy is planned by Tri-County TEC to be conducted by Mrs. Peggy B. Rich. The first will be on January 19, and will be concerned with basic procedures and a trip to the Clemson Univ. Library. The second will be on February 16 and will include fact-finding tours of the Anderson Co. Court House records and the Anderson Public Library. The third on March 16 will include tours of the U. S. Department of Archives and the State Library. The fee will be \$10 per tour. Contact Tri-County TEC (646-3227 or 882-4412) for further information and registration. We don't know if tours can be taken singly, or if the program comes as a package.
