

ANDERSON DISTRICT CHAPTER

Our next meeting will be Tuesday June 20, 1972 at 7:30 AM  
Home Federal Savings & Loan in Lakewood Plaza on US 123456 Anderson.

Program: We will discuss our progress with surveying cemeteries in Pickens County. We will also discuss the work needed to complete the locating of cemeteries in Anderson, Pickens, and Oconee Counties as described by Mr. Babb.

\*\*\*\*\*

Mrs. Sara Timms has called a meeting on June 17 to survey the Easley Cemetery. Since this is a very large cemetery we will need many more than the six surveyors who helped in April. If you wish to avoid the afternoon heat, come early in the morning. The forms will be provided. Please bring a pad or clipboard to write on and a pencil or pen.

At our May meeting, Mr. Robert E. Babb, first vice-president of the SCGS, presented a program on surveying cemeteries and our state project of locating cemeteries throughout the state. Mr. Babb gave our chapter large scale maps of Anderson, Pickens, and Oconee counties for us to use in locating cemeteries. We are also to determine which have been surveyed and where the survey is available. Anyone can volunteer to help with this project--contact Mrs. Sara Timms.
