PRESIDENTS MESSAGE

Our local members met both July and August. Instead of a formal program, we paired off and did proof reading on the Pickens County Cemetery Book. It is now about 75% proof read. Correction of manuscript must still be done.

We are proud to announce that the first of two Oconee County Cemetery books is at the printers. More later on when and where available. we especially

thank Mr. and Mrs. B. A. Roach who prepared all the information and Mrs. Ann Sheriff who did the typing as well as others who helped in various ways.

Our main priorities are to finish two volumes each for Oconee and Pickens Counties.

M. A. "Dan" Boone, Pres.

GALENWOOD RECORDS AND BRANCHES, Feb. 1983

I started out calmly tracing my tree but found the old man to be younger  
 To find, if I could, the meaning of me than son!  
 And all that I had was my great- then when my nops were fast growing  
 grandfather's name dim  
 Not knowing his wife or from where I came across records that must have  
 he came. been him.  
 I chased him across a long line of the facts I had collected then more  
 states me quite sad  
 And came up with pages and pages of for "Dear Old Grandfather" was never  
 dates. a dad....  
 when all put together it made me I think someone is pulling my leg.  
 forlorn I'm not at all sure I wasn't hatched  
 I'd proved poor grandpa was never from an egg.  
 One day I was sure the truth had been after hundreds of dollars I've spent  
 found; on my tree,  
 Determined to turn this whole thing I can't help but wonder if I am  
 upside down REALLY me!  
 I looked up the records of one Uncle  
 John
