

THE PENDLETON DISTRICT CHAPTER  
S.C. GENEALOGICAL SOCIETY  
11/10/76

\*\*\*\*\*

NEXT MEETING

Our regular scheduled meeting for November will be held at the "Club Room" of the Home Savings and Loan building on 123 Bypass in Clemson, on Tuesday, Nov. 16, at 7:30 P.M. Mark your calender now!

\*\*\*\*\*

The program for this meeting will be "Show and Tell". Bring your book or books and share with others. If you have any interesting papers or photo's bring these also. This will be an informal program, no Speaker, just "Sharing Information" with others.

We will have a report from the nomnating committee, and the election of officers for the coming year. Please give thought to the amount we should add to the dues, in order to maintain our Chapter. At present, we are operating on a Zero Budget, and need some funds for postage,etc.

\*\*\*\*\*

One of our objects was to read the cemeteries of Oconee and Pickens Counties. This is a large undertaking and will require the help of all the membership. Numerous family cemeteries are fast disappearing as more and more land is consumed to make way for more and more housing developments. Little regard is shown for graves located in the way, of shall we say Progress. If you know of a small family plot that has markers, record this now, before it completely disappears. Read as marked on the stone, in rows, and put down the exact location. All this we can record in our listings at a later date. Winter is the best time to do this, as you don't have to worry about "Chiggers and Snakes." We plan to start on this project after the election and installation of officers. We can help to preserve the past.

\*\*\*\*\*

Our thanks to Morn Lindsey, of the Greenville Chapter, for the excellent program at our last meeting on "Information Through Sharing." Morn's presenation was graphic and shows what can be done by sharing with others. Keep those letters going!

\*\*\*\*\*

Plan to be at the next meeting - Tuesday, Nov.16, at 7:30 P.M. - Home S. & L. 123 Bypass - Clemson. Bring your Books and Charts for Sharing with other members. See you the 16th.
