

PENDLETON DISTRICT CHAPTER SCGS

Our next meeting will be Tuesday May 15, 1979 at 7:30 PM  
at Home Federal Savings & Loan in Lakeview Plaza on US 123-76  
in Clemson.

Program: Linda Cheek will discuss her research methods and ways  
she documents her research.

Also--Dr. Eugene Sneary, president of the SCGS, will present  
a brief description of the state of the Society. This is Dr.  
Sneary's yearly visit to our chapter. We appreciate Dr. Sneary  
taking time to keep us informed of activities on the state level.

At our April meeting, Mr. Edwin Veder discussed his efforts  
in beginning methods of genealogical research. Mr. Veder indicated  
his preference for family group pages rather than lineage charts  
as a method to record names and dates for each person. Following  
his talk, Mr. Veder distributed copies of notes detailing his talk.  
Using his methods, Mr. Veder has produced a book of the Veder  
family distilled from about five notebooks of family group pages.  
He is still trying to determine the relationship of these people  
with about three more notebooks of Veder family group pages.

Following the program, Mr. Riggs Goodman distributed copies  
of a list of 120 cemeteries which have been surveyed and for which  
the survey has been typed. These cemeteries are all in Pickens  
County. It is hoped this list can be included in a future issue  
of this newsletter. We all owe a debt of gratitude to the members  
who have worked long and hard to collect this valuable information.  
Please inform Mr. Goodman if you have a cemetery survey not on  
his list. Also, if you or a friend wish to ask about a cemetery,  
please include a self addressed stamped letter when writing to  
Mr. Goodman because his stamp supply is running low.

A workshop will be held by the SCGS on July 9 in Columbia.  
The speaker will be Mrs. Jo Lynn White of Salisbury, NC. Mrs.  
White will speak about her specialty: North Carolina research and  
Rowan County (Rowan County at one time included the northwestern  
quarter of NC and extended to the Pacific Ocean). A registration  
form indicating a price and time will be mailed to you in about  
a month, or sooner.

We salute Mr. Joseph Kearney who has compiled eight 25X38 inch  
charts delineating the relationships of 3500 people who lived near  
Princeton, NJ from 1550 to 1825. This work required more than  
18,000 hours of research and expenditure of \$25,000. Copies of  
"Ye Colonial Kinsman" are \$27.50 from Box 90622, Los Angeles, Ca  
90009.

WARNING !

GENEALOGY POX

Very Contagious to Adults

Symptoms: Continual complaint as to need for names, dates and places. Patient has blank expression, sometimes deaf to spouse and children. Has no taste for work of any kind, except feverishly looking through records at libraries and courthouses. Has compulsion to write letters. Swears at mailman when he doesn't leave mail. Frequents strange places such as cemeteries, ruins and remote, desolate country areas. Makes secret night calls. Hides phone bills from spouse. Mumbles to self. Has strange, faraway look in eyes.

NO KNOWN CURE

Treatment: Medication is useless. Disease is not fatal, but gets progressively worse. Patient should attend genealogy workshops, subscribe to genealogical magazines and be given a quiet corner in the house where he can be alone.

Remarks: The usual nature of this disease is -- the sicker the patient gets, the more he enjoys it.

The above was contributed by Mrs. Paul W. Rimmer, 4111 Lincoln Ln., Dallas, Texas 75228. Mrs. Rimer and her husband visited one of our chapter meetings this past Spring.

\*\*\*\*\*

Included with this mailing is the membership list for the Penikese District Chapter. Please note on the membership list all numbers followed by an asterisk (\*) indicate former members. Therefore, the address listed for these members is old. Please retain this membership list so you can decipher the list of families our members are researching. The list of families will be mailed to you in about a month (hopefully). Each family name will be listed with a state or county location and an "address number". The "address number" is the number beside the member's name on the membership list.
