## PENDLETON CHAPTER

January 1987

### January Meeting

As usual, the January meeting will be held at the American Federal Bank on US #123 in Clemson at 7:30 P.M., on the 3rd Tuesday, January 20. Please invite someone to come with you.

The new president wants to use the January meeting "as a free-wheeling discussion to find out what our members want and expect. Perhaps the most important thing to find out is what they will support actively."

### New Slate of Officers to be Installed

President: Edwin H. Vedder

Vice President: Robert G. Dodsen

Secretary: Judy Millar

Treasurer: Anne Sheriff

Newsletter Editor: Bill Whitten

Publicity Chairman: Cy Shuler

State Representative: Julia Woodson

### Message From the President

First a thank you to the officers for the last year. Many interesting programs were presented.

As our past editor, I fear that I let you down. I could not maintain the pace that I had earlier set for myself. I am sure that Bill Whitten will inject new life into our newsletter.

As your 1987 president, I hope that we can set some new goals for ourselves--and achieve them. I expect to call regular board meetings to tackle our numerous problems. The most basic of these problems are: membership, programs, newsletter, and special projects. If we want to grow and prosper, we must provide enough benefits to our members, both local and remote, to make membership attractive. To do this, we must have active support by each of our members. Obviously, there are many things which can only be done locally. However, there are many other things which can be done by those members too remotely located to attend our meetings and work on projects such as cemetery surveys.

We will keep you informed as plans are developed and you will be asked to help carry them out. I would hope that we can spread the work so that it is not an undue burden to anyone.

I ask for your active support individually and collectively so we can be of greater service to ALL our members.

Edwin H. Vedder, President

**RECENTLY PUBLISHED:**---by the Pendleton Chapter of the South Carolina Genealogical Society, The Nicholson and Related Families, by William C. Whitten Jr. and Mrs. Curren (Era) Davis. We had 50 copies prepared and they are selling well; 50% of them are already gone.

The book talks about the origin of the name and some prominent members of that name. Some early census records are given showing the extent of Nicholsons in early America. Two men to the Nicholson name seem to have been the progenitors of all later descendants in the Old Pendleton District. They were Benjamin and William Nicholson. The great majority are descendants of the latter and make up the major part of the book. It is 156 pages plus a thorough index and in soft cover. The cost is \$13 plus \$2 for postage.

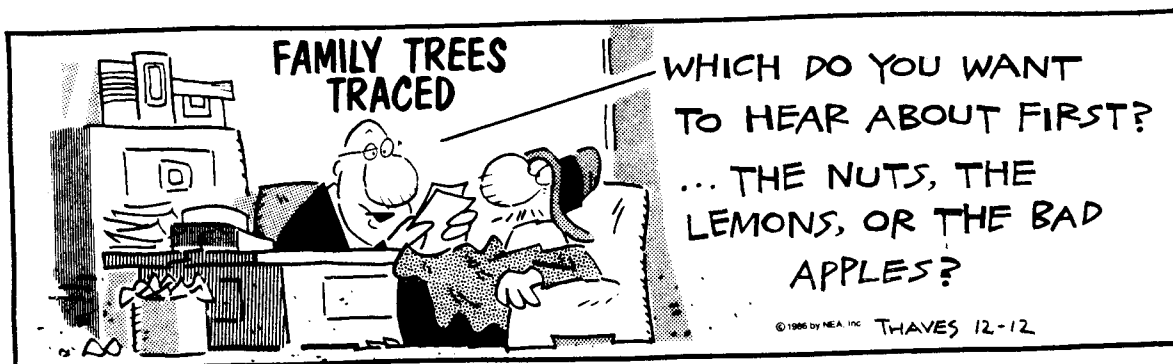

Surely there must be other members of the Chapter who have large amounts of data on other families who would like to see that material put into a book. Why don't you get started on it? This applies to those members of the chapter who are remote as well as those who are able to meet regularly with us. If you feel that it is too much of a job, maybe another member of the chapter could work with you. That is what happened on the book above. Communicate with one of the officers listed above if you think that you might want to undertake publishing.

**DUES NOTICE:**---Please send your annual dues to our treasurer, Anne Sheriff as soon as possible. If the state office doesn't get them before the next issue of the Carolina Herald, you may miss it. The dues are \$10.00 for single membership and \$14.00 for family membership. Send it to: Mrs. Anne Sheriff, Route 4, Box 232, Central, SC 29630.

**BIBLE RECORDS:**--The Pendleton Chapter and the Clayton Room are interested in publishing a booklet on Bible records of the old Ninety-Six District. Over 25 records have been typed and ready for publication. If you wish to have your Bible record included in this booklet or a subsequent publication, please photocopy the genealogical information in the Bible. Also, send a copy of the page that includes copyright data. Mail them to the Clayton Room, Central Wesleyan College, Central, SC 29630.

# CENSUS RECORDS

Beginning with this issue of the Newsletter, and continuing until completed, the Newsletter will be publishing the 1850 Census of Pickens District, S. C. As most of you know, the Census Records are frequently difficult to decipher; we will do the best that we can and put question marks where we are not sure.

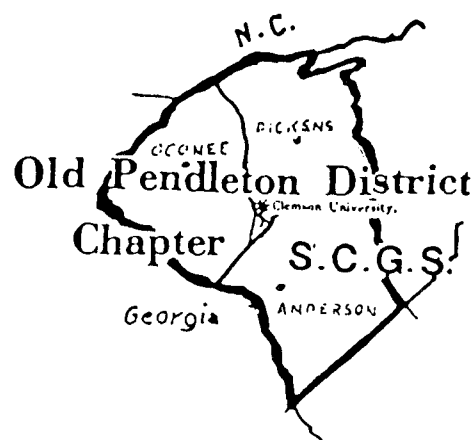

We welcome it being brought to our attention any errors which readers may find.

MESSAGE FROM THE PRESIDENT  
(as amended by the editor)

It is our wish to begin incorporating certain features in the NEWSLETTER in the near future. What we have in mind are Book Reviews, Queries, and a listing of Bible Records. The success of these features will depend on members and others furnishing us with the material to publish.

In the near future the officers will meet and develop guidelines as to the format in which the material in each of these categories should be submitted and published. When this is done, we will publish these guidelines in the NEWSLETTER FOR YOUR USE. In the meantime, we have one Book Review published in the NEWSLETTER this time. As you will see, the book was published by one of our members. Also, of course, we had one Book Review in the last NEWSLETTER.

We also want to republish a Surname List which will be compiled from the surnames that you are searching. We did this once years ago from the surnames that you recorded on your original membership application, but that list needs to be updated. At an early future date we hope to have compiled these Surnames and to be able to send out the list with a future NEWSLETTER.

Edwin Vedder

## CENSUS RECORDS

In the last issue we begin publishing the 1850 Census records of Pickens District, S. C., just as they were recorded by the census-taker. It is our hope and expectation that this will be carried out to its completion. If you save your NEWSLETTER each time it is published, you will have the full census when the series is completed. Of course, it will be without an index, but maybe we could even do that. It is our hope that we can put it into a book, with an index, after the series is completed. We can thank Robert Dodsen for reading the census and Anne Sheriff for typing it into her computer where it will be stored for printing when complete.

## Book Review

The Ancestry of Gene Ross including the Ross line and the associated lines of Bennett, Grimes, Llewelyn, Knighton, Turnbull and Kyle, by Gene Ross Kellough, privately printed Seneca, SC 1986. Soft cover, 8 1/2 x 11 pp. photocopied. Bibliography. Price is \$14 postage included. Order from Mrs. Gene Ross Kellough, 600 Old Salem Rd., Seneca, SC 29678.

The first 55 pages (indexed) trace her direct ancestry and descendants beginning with William Ross whom she believes was born in Virginia and moved to Tyrrell Co., NC and, seemingly, later to Martin Co., NC. Succeeding Ross families moved to Georgia and thence to Texas where Gene was born and spent much of her life. The text is interlaced with detailed records of source material, the most important being the Ross family Bible data. Some of these records did not photocopy too well but are a delightful inclusion.

A very interesting portion (151pp. not indexed) of the book, especially for family members, is the section titled "Samplings". It is a rapid review of her life and events while growing up in Texas 1909-1937 including a host of stories about people and life styles.

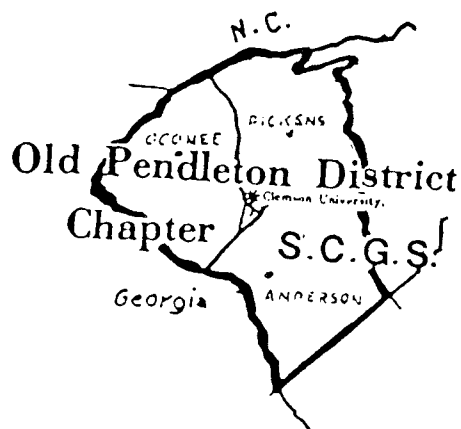

Gene and her husband John Stevens Kellough lived in 20 cities in 11 states before moving to Seneca for retirement. Her daughter and family had moved to Clemson.

Gene published the genealogy of her husband in 1981.

!!! NOTICE !!!!

March Meeting  
Wednesday  
March 18, 1987

## ACKER-HALBERT FAMILY

One of our members, Mrs. Frances Booker, has submitted some material for possible inclusion in the NEWSLETTER. We are not going to publish it in its entirety but want to call it to your attention. We will place it in the Faith Clayton Research Room in addition. The material is taken from A Brief History of the Acker-Halbert Family by E. D. Acker, 1928. The book covers the Hills, the Halberts, and the Ackers. These families moved into Anderson County near the Saluda River shortly after the Revolution. The excerpt makes it appear that the book would be very good on these families for anyone interested, and both the book and excerpt are recommended.

SOUTH CAROLINA GENEALOGICAL SOCIETY  
PENDLETON CHAPTER  
March 1987

NOTICE! NOTICE! NOTICE!!!

We have been dispossessed! The American Federal Bank, where we have been meeting for years, has decided that they need the meeting room for training purposes on Tuesday evenings for the indefinite future. Thus, we have two alternatives: we can change meeting night, or we can change our place of meeting. At least for this meeting in March, the decision has been made to change the night of our meeting to the third Wednesday in the month of March, the 18th. That means that the meeting place will remain the same: the American Federal Bank on US #123 in Clemson at 7:30 PM. At that time we will make a decision as to what we will do on a permanent basis.

## MARCH PROGRAM

Our speaker for the program on March 18 will be Dr. Don McKale, Professor of History at Clemson University. His subject will be German Migration to America.

Dr. McKale was born in Kansas and grew up in Iowa. He was granted degrees from Iowa State, University of Missouri, and the Ph.D. from Kent State in 1970. He has taught at the University of Nebraska and Georgia College at Milledgeville, and came to Clemson in 1979.

Among his publications are a number of scholarly articles and three books on Nazi Germany, i.e., The Nazi Courts, 1974; The Swastika Outside Germany, 1977; Hitler-The Survival Myth. Dr. McKale is now working on two books dealing with the German Foreign Ministry and is engaged in a project for the Clemson Centennial Celebration. Guests would be welcome to enjoy this outstanding program.

**GARNER-BOGGS AND RELATED FAMILIES** by Stanley A. McGaha, 103 S. 4th Street, Easley, SC 29640. 142 pages indexed.

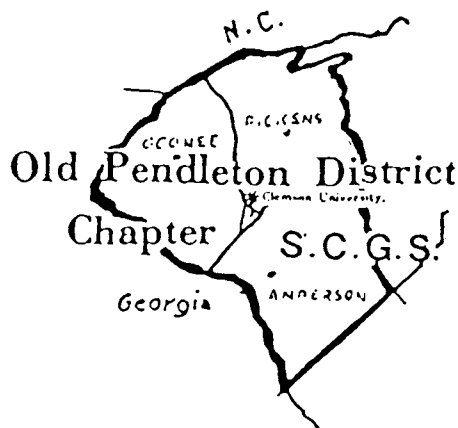

Mr. McGaha writes, "This book is an extension of *Garner-Keene Families of Northern Neck*, Virginia by Ruth Ritchie and Sudie Rucker Wood. *Garner-Keene* deals mostly with Virginia records while *Garner-Boggs* deals mostly with North and South Carolina records. *Garner-Boggs* overlaps the work of Ritchie and Wood with its Virginia records in order to achieve continuity. *Garner-Boggs* delves further in its English Ancestry than *Garner-Keene* but *Garner-Boggs* does not pursue the collateral Garner lines that Miss Ritchie's book contained."

The descendants of the two oldest children of Henry Garner, Jr. and Nancy Pool, Mary "Polly" Garner who married Henry Thomas Boggs, and Sylvania Garner who married Aaron Boggs, are listed to the fourth generation. Much credit is due Mr. McGaha for unravelling and keeping in order the children of the multiple marriages. Information on the first two daughters, Polly and Sylvania, and their descendants is fairly full, as is true for the other two girls, but information on the son and youngest daughter is not carried past the 1850 census.

Reading and understanding the descendants of Henry Garner, Jr. would have been easier had Mr. McGaha separated the Roman numerals from the Arabic numerals by periods and separated the generations by periods. Descendants of Henry Garner, Jr. and Nancy Pool will be glad to have such an extensive piece of research under one cover.

**Bolding Family** by Agnes Bolding Lesley. First printed January 10, 1957. First revision December 31, 1985. Extra copies may be ordered at \$15 each from Bolding Book, P. O. Box 1122, Pickens, SC 29671, attn. Melvin Watson. 365 pages indexed.

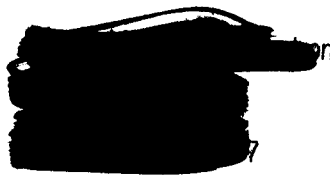

Bolding Family, Jonathan Lee Bolding, 1806-1879, a pioneer citizen of the Pea Ridge Section of Pickens County, South Carolina. A history of his life and times and a listing of his many descendants, is concerned with the Boldings who settled and built up the section in the northeastern part of Pendleton District called Pea Ridge.

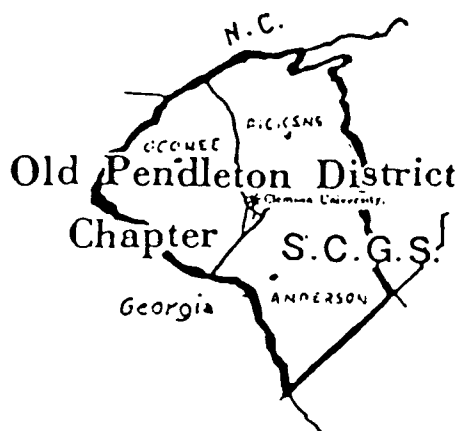

The first 55 pages contain a history of the early settlers of the area. Many anecdotes of living before and after the War, the sicknesses that could not be cured, the continued production of babies despite the loss of many in infancy give the reader of a feeling of existence during great hardships.

Of the 12 children of Jonathan Lee Bolding and Rebecca Powell Bolding, eight are listed in detail often to the sixth generation but no where is noted a geographic location other than Pea Ridge. Family Tree Name listing contains 8480 names. First married name listing has 2600 names. Current married names list 100.

## PRESIDENT'S MESSAGE

As promised in the February NEWSLETTER, we are ready and anxious to receive information from the Chapter members on Books for Review, Bible Records, Queries and your own list of Surnames which you are researching. There are a few rules which must be followed for each of these.

### Books Reviews

1. A book submitted for review must have some relationship to and usefulness to doing research in South Carolina.
2. It must have been published or reprinted in the last 18 months.
3. Any book submitted becomes the property of the Old Pendleton Chapters of the South Carolina Genealogical Society.
4. The book must be accompanied by price and where it can be obtained.
5. Mail books for review directly to our Book Review Editor Mrs. Gene Kellough, 600 Old Salem Road, Seneca, SC 29678. Phone 803-882-0904

### Bible Records

Please help the Chapter increase its collection of Bible Records by sending yours to the Bible Records Chairman.

Original records, machine copied duplicates and transcriptions (typed copies) are acceptable. Non-members are also invited to submit South Carolina Bible Records in order to preserve them for future generations. Please write to the Bible Records Chairman Mr. W. E. Woodson Jr., 326 W. Main Street, Liberty, SC 29657 for details.

We still must devise a method of informing our members of our Bible Record holdings and a way to make them available to all members even though not locally located. You will be informed about this when worked out.

## Surname List

Our surname list is badly out-of-date. We would like to start over and create a new up-dated list. We will try to up-date periodically and mail to you.

- 1) Submit SURNAMES only. Keep a record of surnames previously submitted.
- 2) Submit each SURNAME ONLY ONCE NO MATTER HOW LONG YOU REMAIN A MEMBER.
- 3) Surnames submitted must have a South Carolina connection.
- 4) Surnames must be typed or printed. Names in script are not accepted.
- 5) Only 25 surnames may be submitted in any one six-month period.
- 6) Include your name, address and Society membership number.
- 7) Send SURNAMES directly to the Surname List Chairman: Mrs. Margaret Goodman,  
109 Allee Street, Clemson, SC 29631.

## Queries

A MEMBER is allowed two Queries each quarter - EIGHT free queries per membership year. The two queries may include up to a total of fifty (50) free words. Name, membership number and address are printed free, and are not included in the word count. Additional words cost five cents (5) EACH. MEMBERS may also submit additional queries at the cost of five cents (5) for EACH word. Payment for extra words must be sent when the query is submitted. The same query may be submitted only once each year. Queries will not be accepted from non-members.

Queries may relate to any family, any time and any place. For maximum effectiveness, all queries should include a place and a date or time span even if only approximate.

Each queries, to be accepted, must be on a 3 x 5 card. TYPE or PRINT clearly with no abbreviations. Capitalize all surnames within the query; do not Capitalize any other words. Include your name, membership number and address with each query. Proofread your query carefully. Include payment for any additional words (see above). Any query not meeting these requirements will not be published.

The following example is provided to assist you in determining the word count. It is based on 2 free queries containing 25 words each.

EXAMPLE: Desire parents of Robert A. Hardy born 4 June 1800 any town,  
any county, any state. Married Gertrude SMITH about 1820-22  
NY. Children; John Henry; James D., Mary A. Moved to Iowa  
1840. Died 1850.

Total word count - 36. Figuring 11 additional words at 5 cents per word, the additional cost would be 55 cents. Please note each initial counts as one word and each part of a date is a word.

Send queries to: Dr. Cyril Shuler, B203 Clemson Downs, Clemson, SC 29631.

The deadline for each issue is one month prior to a meeting.

Please refer to the following page for the standard abbreviations which we will apply to the queries.

# SEPTEMBER MEETING

Take especial notice that our time and place of meeting in September is different than our usual. For the last several years we have reserved the September meeting to be a covered-dish supper meeting at some location. Last year we met at the Meetinghouse at Keowee-Toxaway State Park. Everybody who came seemed to enjoy it very much, and the program committee decided to repeat it this year. So, we will convene at the Meetinghouse at Keowee-Toxaway State Park for Dinner at 6:00 P.M. on Sunday, September 20. Bring ample food and your spouse or any guest you wish. The chapter will provide artificially-sweetened tea, plates and cups. You bring your own eating utensils also. A map is shown below to help get your there. Remember: it is at the Meetinghouse.

# **PAPER FOUND IN THE PICKENS COUNTY COURTHOUSE BASEMENT FILES.**

SOUTH CAROLINA. Pickens District. October 17, 1863. The commissioners of the 5th Regiment, SCM submit the Following Report.

The Duties imposed on the commisioners by having to attend to the sending the Negroes to work on the Coast, and collecting the money for refusing to do so with the other duties incumbent upon them have been attended to as follows.

The Roads have been repaired to some extent, and if not as well done as might be expected by some; may be the want of hands to do the work.

The Bridges across the streams have been kept up so far as we know with but little expense to the District as the Report from the Treasurer will shew.

The collection of money by our Board from slave owners for refusing to send their Negroes to work on the Coast amounted to Twenty one Hundred and ten Dollars (\$2110.00) and placed in the hands of the secretary of our Board and has by him been paid over to Hamlin Beattie Greenville for check and sent to Wm. M. Shannon according to directions; said money being collected from the following persons as follows:

### PRESIDENT'S MESSAGE

Now that we are all back from our summer travels, we can resume our genealogical deskwork. Part of that is to get our queries sent to the appropriate person. Elsewhere in this Newsletter there are instructions for sending queries. Also, we need Bible Records and books for review as has been described in earlier Newsletters. You can all help to make this Newsletter even better.

E. H. Vedder

### BEWARE!!!!!! BEWARE!!!!!!

Another genealogy fraud has come to light. This one involves a chain letter. Each recipient is asked to make five lists of every surname he/she is researching, then send the list, and two dollars, to the first five people listed in the letter. The letter is illegal as well as a fraud. Contact the Post Office if you should receive a letter of this type. (Courtesy the PEE DEE QUEUE).

## QUERY

I am researching COCHRAN and LYNCH families in Pendleton District before 1830. The given name PEYTON appears in both families and may indicate intermarriage between COCHRAN, LYNCH, and PEYTON families. Will gladly share information. C. D. Cochran, 5889 MacLeod Drive, Memphis, TN 38119. Office phone (901) 362-9100, home phone (901) 683-4774.
