

## SEPTEMBER MEETING

The first meeting of the fall season will be our customary covered dish supper at 6 PM Sunday, September 13, at Keowee-Toxaway State Park Meeting House. Everyone please mark your calendar for the date of September 13. This will be our first meeting since our summer rest. As customary, we will have a covered dish dinner meeting for which you should bring a covered dish and also your own eating utensils. The chapter will furnish ice, paper plates, cups and napkins.

This event is a good time to share your finds during the summer as well as visit with our spouses and other guests.

There will be a brief business meeting following the meal.

## CENSUS UPDATE

THE 1920 South Carolina and North Carolina censuses are now in the South Carolina Room, Greenville County Library, Greenville, S. C.

## THINGS TO REMEMBER WHEN USING THE CENSUS RECORDS

The Census records are of great value to anyone searching for a missing ancestor, but there are certain things that you should keep in mind when you use these records.

1. Don't believe census indexes to be either correct or complete.
2. Don't assume the spelling of the name is as you know it is now.
3. Don't assume the relationship to the head of household is as it is used now.
4. Don't forget to copy **ALL** the information at the top of the page, as well as the data to the right.
5. Don't forget all entries for your name in the county, better look at the neighbors too. (Four Smiths in a row with a Jones could mean a married daughter and family).
6. Don't think records before 1850 can't help; only name of household - at least you'll know how many to look for - for a whole family.
7. Don't forget 1880+ records when you are stuck in the 1880's.
8. Don't forget the 1890 Veteran's Census if your ancestor was in the military.
9. Don't forget about **STATE** Census records. Credit - Columbia, Sumter SCGS & Greater Omaha Gen. Society
