ANNUAL DUES are payable now through the 1 January for the year 1996.

If there is an increase in dues it will be after the 1 January 1996.

Please take time to pay your dues today and please fill out the application form so that the Society has the information needed.

Our October Meeting was excellent. Our Speaker, Dr William Hunter, was very interesting, educating some of us on the race of "Celts."

Sure was good to see some of our local members, that had not attended in some time, back with us, Mr and Mrs Ed Frieson. Three out of state members, made the trip: Judy Griffin from Missouri City, TX, Robert Miller from Atlanta, GA and John and Alice Dillard from Besseme, AL. Also Jim Sexton from Columbia SC.

We would like to see more of our local members attend the meeting in November as we will be electing officers for the year 1996.

### PRESIDENT'S MESSAGE

Well Folks — it has been quite a year! Lots of fun just not enough time. I have met so many great people in the Club — many at the Clemson meetings, but even more in correspondence with our out of state members. I will continue to attend the meetings and contribute to our Pendleton District date base (formally called Geschwind-Looper date base). Thanks to all who have contributed to it. Some have done so in printed material and some by means of Gedcom Files, either by mail or via CompuServ or America on Line.

I will be available to all who have a computer with a modem as: JWLOOPER@AOL.COM (no space) or as CompuServe ID number 76226,1150.

My "snail mail" address is still 814 Roberto Drive, Newport News, Virginia 23601 (as it has been for the last 30 years).

The AOL address is the most useful since I can attach files to the messages with very little effort. For you that haven't gotten a modem, but are consideraing it, the AOL (America On Line) service seems to be the easiest to learn and use service. You can get the software free. CompuServe also offers free software as do several of the other services. The AOL and CompuServe addresses can also be used to get me through the Internet.

I hope that more of you will start using these services. It is absolutely astounding what you find there in the various genealogy forums. If you don't have a computer yet, you are missing out on one of the most valuable research tools going.

Will be turning over the President's duties to a new "Resident President" in January. Hope to get a litte more research in on my trips to Clemson next year.

To all, good luck hunting for those "Brick wall" ancestors and God Bless.

Joe "Bones" Looper

### SOME MORE HISTORY OF OLD PICKENS DISTRICT, SC

William L. Keith was the first clerk of the court of common pleas for Old Pickens district, served twenty eight years consecutively and died in office. He was very popular and a remarkable man-was never defeated for any office though often opposed by good and strong men. He was the father of our late brilliant W.C. Keith, who will be remembered by many of your readers as one of the best lawyers in the upper part of the State. There was another son, Elliott M. also a lawyer who is said to have been no less brilliant and able than W.C. Besides these there were Thomas, John and Marvin, The first two died or were killed in our civil war, the latter having died in Mississippi several years ago. There were two daughters, Mrs Mary Towns and Mrs Eliza Earle, both now of Greenville, Many descendants of the Keith family are living in Pickens, Greenville, Anderson and Oconee Counties and are among the most respectable and influential citizens of their respective counties.

Col. Keith was succeeded in the clerk's office by James E. Hagood, who is well remembered by many of us as a most efficient officer: Kind and genial gentleman. He represented the county of Pickens one or two terms in the legislature and for many years was clerk of the United States district court of SC. He died a few years ago. He was the father of W.M. Hagood and James E. of Easley. B.A. Hagood of Charleston and Mrs Mary Alexander of Pickens. All have succeeded well in life. Mr Hagood was the last clerk of the old district, so it will be seen there were only two clerks during the existence of the district.

I have heard my mother say that in the early days of Old Pickens there stood a pillory and public whipping post on the public square where certain malefactors were punished for their misdeeds. I sometimes think this method of punishment would be more effective in preventing crime than that of the present day.

Within a mile of the old court house site there is a small plot of ground called the "mallows lot," where those condemned to death were publicly hanged. Seve all were publicly executed without the privacy or electrical refinement of the present day. Criminals were punished in those days—jurors were not so merciful and governors so tender—hearted as some have been since. Written by N. Boone Carey. Pickens Sentinel Issue: 1 April 1915

11 May 1858 Inquest of death of William Abbott--Mr. N.J.F. Perry and Mr James McGuffin stated to the jurors who had come to his tanyard on the 10th May instant were the first persons that saw the old man after the accident occured. That as Mr McGuffin started home he walked out with him some 2 or 3

hundred steps from the yard they saw the old man lying there but had no thought of him being dead untill they got up to him and that he was lying on his back with his walking stick in one hand and a hickory or riding switch in the other that there was no appearance or sign of his moving hand or feet, after he fell they saw some sign that the horse made as tho he had sprung forward for a jump or two that the little sack of cotton seed that the old man was riding on which he had been after to G.W. Phillips was lying some 15 or 20 steps from him. This was between 10 and 12 O'clock am on the 10 inst.
