NEW HOPE BAPTIST

experience, 7 by letter, and 1 by restoration in September.

W. C. Seaborn was elected for his third Pastorate for 1905. He remained there for 2 years, making a total of 9 years at New Hope. The salary was \$75.00.

On November 10, 1905 an announcement was made requesting all members to be present the next conference day to consider the possibility of building a new church house. They voted in December to take some steps to build it and elected a building committee of J. C. Alexander, J. A. Kelley, and M. A. Wood. A finance committee was elected consisting of Sister Janie Wood, Bennie Knox, And Miss Wannie Morgan.

In the spring of 1906 a number of men agreed to give timber and a day was set to cut and haul logs to the saw mill. Mr. T. M. Elrod gave this account: "The first day, there were twelve 2 hourse wagons and 45 men ready for the work. In due time the timber had been sawed and kauled to the church. In August of 1906, just one month afterward, the church worshipped in the new building. To our knowledge, the labor was all voluntarily given and the new house was completed without one dollar being spent for labor." Very few rural churches and some small town churches were not equal to the building for many years. The building was dedicated August 10, 1907 with T. H. Posey preaching the dedicatory sermon.

Keels Moore was elected as "Sectston' in 1906 with the salary of \$10.00. His duties were: "To open and close the house when it is called for, to keep the house well swept, keep the lamps clean and oil in them and lighted when needed, make fires in the stove in cold weather, and keep cold water for the Pastor." The church was insured for \$800.00 and the contents for \$100.00.

Rev. W.C. Huff served as pastor during the years of 1907 - 1909. With the new building, the church was ready to make more progress. The Deacon's.

19

J. M. Miller, J. S. Tollison, and R. B. Becknell, were ordained August 11, 1907 with C. S. Blackburn preaching the sermon from Isaiah 52 and T. M. Cary leading the prayer. t =

On June 10, 1908 the church agreed to accept money from the mission society for the purpose of "buying a church bell and order it and put it up."

In August of this year the church had one of the greatest revivals in the history of the church. There were 33 members recieved by baptism and 2 by letter. The next year the church voted to recommend William Hammond to Furman University to study for Ministerial education. Rev. Huff was elected for 1910 but in January he sent a letter of resignation. The church then called Rev. J. H. Ayers for the remainder of the year.

J. E. Grim served 1912-1914. New Hope had given to various mission offerings all through it's history. In 1912 the apportionment of giving to mission was: State Missions \$10.00, Home Missions \$15.00, and Foriegn Missions \$25.00. The Ladies Missionary Society was asked to organize a Sunbeam Band.

On April 25, 1914, New Hope Church saw some of the fruit of their labor. She see aside another young man, William Hammond, to the Gospel Ministry. Two months later Asa Wood, John Becknell, and Pink Vaugn were elected as Deacons. Evidently the members were getting behind with the payment of their dues because they had not paid Rev. Grim all that was due him when he left at the close of 1914. They paid him later and in May 1915, voted to give the delinquent members one month before prefering charges against them. Fourteen were turned out June 12, 1915 for not paying their dues.

20

L. D. Mitchell was elected as pastor in 1915. The Deacons were send to help organize a church at Ebenezar the first Sunday in May. In July a committee was appointed to buy an Organ. The committee was Asa Wood, Pauline Kelley, Bessie Wood, Ada Morgan, Wannie Morgan, and Mrs. T. M. Elrod.

The revival of 1915 produced good results; Fourteen were recieved by baptism, five by letter, and three restored to fellowship.

W. M. Walker was elected as pastor for 1916 at a salary of \$150.00. On August 12th. they "agreed to go into a series of meetings with services to be 10 A. M., Prayer; 11 A. M., Preaching; 8 P. M. Prayer; 8.30 P. M. Preaching. Eight were recieved for baptism and one by letter.

In September 1916, J. A. Kelley resigned as treasurer and the following resolution was passed: "Whereas Bro. J. A. Kelley has served something near 20 years as treasurer of New Hope and has offered his resignation and has been accepted, therefore, be it resolved that this church extend to Brother Kelley our thanks and appreciation for the faithful service rendered as church treasurer."

Rev. Walker stated that he could not serve the church for 1917 unless a field could be worked out. The first pulpit committee in the church's history was elected. This committee was composed of T. M. Elrod, J. F. Hunnicutt, J. A. Kelley, H. A. Wood, and R. B. Becknell. The committee reported October 1916 that D. W. Hiott would serve and he was elected.

The method of securing a preacher prior to this was to elect a man from the floor. Many were elected in this manner, who would not serve. They did at times contact a man to see if he would serve before the church officially elected him.

A church covenant was adopted in February 1917. In March the church agreed to observe homecoming and memorial day the third Sunday in July.

They also agreed to sell the old church Bible and give the proceeds to the W. M. S. A historical committee composed of T. M. Elrod, J. F. Hunnicutt, and R. B. Robinson was elected.

Rev. M. J. Stancil was elected for 1918 and the meeting days were changed to "the second Sunday and day before: Saturday at 3 P. M. and Sunday at 11 A. M."

In August 1918 the greatest number of additions in any revival was made. Forty-six by baptism, 6 by letter, and two by restoration. A total of 54 additions, enough for a church within the group.

On October 12, 1919 a resolution was adopted to take some steps to form a field between New Hope, Wolf Stake, and Pleasant Ridge Churches. The Deacons were instructed to meet with the general conference composed of the deacons of the churches composing the field and act for the church in the interest of New Hope.

During Rev. Stancils Ministry, the church continued to grow and make progress. The primary growth in numbers was during the revivals, in 1920 six were recieved: 18 in 1921 21 in 1922; 17 in 1923 and 10 in 1924. Alex Harrison and Wife were baptized as a result of the meeting in 1922.

L. L. Sloan, George Wyatt, and J. H. Thomas were ordained as Deacons in October 1922. R. F. Jones preached the sermon and C. R. Abercrumbie delivered the charge. A. C. Harrison was licensed to preach the next March.

Rev. M. J. Stancil resigned in 1924 and Rev. J. E. Burt was elected October 1924 at a salary of \$1000.00. This was the total salary in the Field. New Hope's part was \$445.00, based on membership. Money was becoming a little more plentiful and ushers were elected in 1925. The next year the field salary dropped to \$500.00, with New Hope paying \$220.00.

Frank Cappell served as pastor 1927-1929 J. F. Hunnicutt, Whit Knox, H. K. Morgan were ordained as deacons June 27, 1927, with Rev. Clyde Johnson

The following information about JOSEPH CHAPMAN was found in ABSTRACTS OF REVOLUTIONARY WAR PENSION FILES, Vol. 1, A to E; page 605. His file # is S211691. He served in both the NC and SC line. He lived in Guilford County, NC at his first enlistment. Was at Turkey Creek in 96 District, SC for second enlistment. He was a resident of Pickens District on 12 March 1833 when he filed his application for a pension. He was horn 25 Dec. 1745 in Halifax County, VA. Philip's comrade-in-arms and character witness of the 18 Nov. 1831 deposition, Joseph Chapman, died 18 Jan. 1836.

Evidence of Philip receiving a pension from the State of South Carolina was found in his file (#6044). He received a \$60.00 annuity in 1832, 1833, and 1834.

In 1832, Congress of the United States enacted legislation providing pensions for all servicemen, both in the Continental Army and the militia. These benefits were for servicemen who had been on active duty for six months Philip's application for these benefits are found in the declaration of 7 Oct 1843 below:

DECLARATION: In order to obtain the benefit of the act of Congress of the 7th of June 1832.....State of South Carolina, Pickens District: Personally appeared on this 7th day of October 1834 before the Honorable Lt. P. Butler one of the associate Judges of the Said State in open court at Pickens Court House, Phillip Porter, a resident of the District aforesaid aged seventy one years, who being duly sworn according to law doth on his oath make the following declaration in order to obtain the benefit of the pension made by the act of Congress passed June 7th 1832, that he entered the service of the United States in 1781 well as he recollects as he was then only about seventeen years of age in Ninety Six District, now Abbeville, S. C. as a drafted militia man in the company of Capt. Samuel Roseman and Col. Killgore's Regiment went one tour after the Cherokee Indians but before this My Father, Hugh Porter was taken prisoner by the British and I was exchanged for him and kept as a prisoner of war six months at New Bern, North Carolina, since at that time in Guilford County of the State and removed from hence to the District of 96 where I entered the service for 6 months under the said Capt. Roseman and Col. Killgore. He is positive at this time he served as scouts and in the service six months. He then volunteered as in the Cavalry under Capt. Maxwell was ready to start with him on an expedition when he was assigned by the Captain to stay and provide for the fort. He was then engaged in procuring provisions and guarding the said fort called Norrod's Fort and stood ready to be called out at any time ? 9 months, but says positively he was in the service 8 months at this time. This was in the year 1779 or 1780. He was a minute man under Capt. Maxwell till the close of

September 10, 2001

the war and was always ready to reconnoiter and fight the Cherokee Indians on the frontier. He hereby relinquishes every other claim to a pension or an annuity except the present and he declares his name is not on the pension rolls of any agency or in any State and he answers this interrogatories required by the War Department to be part of the Court as follows:

1st: He was born in Guilford County North Carolina on the first day of July 1763, he believes having no family register present

2nd: He has no family register but his Father had one in Abbeville, SC.

3rd: He lived in Guilford N. C. when exchanged to the British for his Father when he was 10 year old. His Father then moved after his return to Abbeville, SC where he entered the service under Capt. Roseman & Col. Killgore where he continued to live till about the year 1784 or 1785 when he removed to Pendleton District - now Pickens, where he has remained ever since and now lives.

4th: He was while in Abbeville always a volunteer and minute man.

5th: He was with General Pickens and Anderson and frequently saw them during the war.

6th: He never got a written discharge.

7th: He does not know any man who would dispute his word but is well acquainted with Bailey Barton, Esquire, Col. Benjamin Hagood, Major Keith, the Clerk of the Court, William D. Sloan, the Sheriff of this District. He would appeal with confidence to all whom he is known at this late period being measurably illiterate he can not so correctly recollect the particular dates as his memory is much impaired by old age and infirmaties. Signed Philipporter (typed as written). Sworn and duly in open court the day and year aforesaid before William L. Keith C. C. Presiding Judge.

1, William L. Keith, Clerk of the Court of the District of Pickens, S. C. do hereby certify that the foregoing contains the original proceedings of the said Court in the matter of the application of Phillip Porter for a pension.

Signed: A. P. Butler, Presiding Judge.

A copy of a letter from the DEPARTMENT OF THE INTERIOR, BUREAU OF PENSIONS, RECORD DIVISION, Washington, DC was included with the request for a copy of Philip Porter's pension application and declaration. It is a form (3-525) letter, "in reply to your request for a statement of the military history of PHILIP PORTER." An outline of his service as found in his application was entered in the appropriate spaces, with the final notation of, "....WAS REJECTED ON THE GROUND OF UNOFFICIAL PROOF OF THE ALLEGED

The evidence is somewhat confusing. It seems Philip received a pension from the State of South Carolina for the years 1832, 1833, 1834. Then he was denied a pension from the United States Government but his widow reapplies to the State of South Carolina and she receives a widow's pension from the State.

An enlightening article was found in <u>The South Carolina Magazine of Ancestral Research</u>, Volume IV, Winter, 1976, Number 1, page 3. Under the title "State Pensions to Revolutionary Survivors," was the following paragraph:

In 1842 the annual report of the Comptroller General to the General Assembly began to contain a "List of Annultants." (These reports are given in full in the printed <u>Reports and Resolutions of the General Assembly</u>, now found among the holdings of the South Caroliniana Library, the State Archives and other repositories.) Although not specifically so stated in the lists, these annuitants evidently were the beneficiaries of a State pension system which provided for veterans and widows of the Revolutionary and War of 1812 who for various reasons were not embraced by the Federal pension program. In 1834 the General Assembly had adopted "An Act for the regulation of the Pensioners of this State" which directed that "from and after the passing of this Act, all persons who are pensioners of the United States Government shall be stricken from the Pension Roll of this State." OTHER sections of the Act provided that surviving officers, privates and widows of soldiers "who served in this State during the revolutionary war, although for a period of less than six months, who may have been wounded or disabled from such service" might reapply to the State for a pension, by petition to the legislature "setting forth that said petitioner has previously made application to the United States for a pension, according to an Act passed in Congress, in the year ... (1832) ... and shewing what was the result of such application...."

Under the List of Annuitants, 1842--1846, was the name of Philip Porter, residence of Pendleton and the year "1841" is entered in the column for 1842. Mary Porter, residence of Pickens and the year "1842" was written under the column for 1842. There is a number "one" under the columns for the years 1843, 1844, 1845, 1846.

Two years after Mary's death, son JAMES PORTER, was investigating the possibility of any additional claim due the legal representatives or children of his parents. There were probably some pages in this Pension file from the National Archives that were not included in the order as the last page ends abruptly; however, it is doubtful there was any more information of genealogical value.

POWER OF ATTORNEY: Know all men by these present that I, James Porter of Pickens District and State of South Carolina and one of the children and legal representatives of Phillip Porter, a Revolutionary Soldier and Mary Porter, his wife who is now deceased, do hereby irrevocably constitute and appoint John L. Neely of Washington District of Columbia my true and lawful attorney for me and in my name to examine into and prosecute any claim that may be due or found to be due the children and legal representatives of Phillip Porter and Mary Porter in virtue of said Phillip Porter's service in the Revolutionary War and the several acts and resolutions of Congress relative thereto and that might have accrued to either of the said parties and not drawn during their lifetime and now due to their legal representatives and to receive the certificate of Pension etc. when issued by the Department. Thereby confirming whatsoever my said attorney can do or cause to be legally done either in person or by substitution in the prosecution of said claim except drawing money on the said claim. I, revoking any other authority I may have given to any other person or persons in this premise whatsoever. In witness whereof I have hereto set my hand and seal this 5th day of September 1853. Signed: James Porter (Seal) Signed in the presence of L. B. JOHNSON (his signature) (nb) Elizabeth struck out & Mary inserted before signature.

State of South Carolina, Pickens District: On this fifth day of September in the year 1853, personally appeared before me, James Porter and acknowledged the written Power of Attorney to be his act and deed. Signed: J. W. NORRIS, JR Notary Public & Ex. Off. Magistrate for Pickens District, SC.

State of South Carolina, Pickens District: I, William L. Keith Clerk of the Court of General Sessions' and Common Pleas for Pickens District in the State aforesaid, do hereby certify that J. W. Norris, Jr., Esgr. before whom the

preceding acknowledged agreement was made (as appears by his name in his own handwriting attesting) was at the date thereof a Notary Public and Ex Officio Magistrate for the District aforesaid who had been duly appointed and qualified and had signed the roll kept according to law in my office... (end of page).

There was an inconsistency in the spelling of Philip's name throughout the documents. It is interesting to note that Philip wrote and spelled his name *Philip* while the clerks usually used *Phillip*.

Records of Annuities and pensions paid by South Carolina to Revolutionary War soldiers, widows and orphans are found in the South Carolina Archives. They are entitled "House of Representatives Annuities, Claims, and Pension Reports." Philip Porter's Pension and Annuity file is number 6044. Included in these records are copies of the Audited Accounts and stub entries for Philip's service as a private in the militia "since the reduction of Charleston." He was paid eight pounds, eleven shillings, five pence sterling in 1785 plus eleven shillings & eleven pence for one years interest on the principal sum of eight pounds, eleven shillings, five pence. Apparently the General Assembly of South Carolina passed an ACT on the 16th of March 1783 authorizing the State Treasurer to issue interest-bearing certificates called principal indents for military service rendered "after the fall of Charleston."

Many of Philip's descendants believe his father, Hugh Porter, as a Justice of Peace in Orange County, North Carolina was somehow sympathetically involved with the 2,000 or more Regulators at the Battle of Alamance River, 16 May 1771. However, evidence found in Governor Tryon's financial records indicate Hugh Porter was in the Governor's Militia.

Some of the financial records of Tryon's militia force (pay rolls, enlistment certificates, and warrants for commissaries' claims), one journal and several order books of the 1771 campaign are now in the Military Collection found under the heading <u>WAR OF THE REGULATION</u>.

THE CORRESPONDENCE OF WILLIAM TRYON AND OTHER SELECTED PAPERS, VOLUME 2, edited by William S. Powell. "Expedition Expenditures Listed by Tryon" which were "Submitted June 30, 1771," covered "Expenditures made by His Excellency Governor Tryon for the Public Service from the Time of His Marching from Newbern with the Troops the 24 of April 1771 until their Return." On page 798, under the date June 7 in the following entry "Gave Hugh Porter for His Expenses....1" (pound). The name of Hugh Porter was followed by the number 8 indicating there was a footnote. Footnote # 8 found on page 800 reads as follows, "Little is known of Hugh Porter except that he was commissioned to be a justice of the peace in Orange County in May, 1757. Saunders, COLONIAL RECORDS, V, 813."

Hugh's offense against the British must have occurred about 1773 or 1774 since Philip says in his sworn testimony he was "ten years old" when his Father was taken prisoner by the British. Philip was exchanged for him and kept as a prisoner of war for six months in New Bern, NC.

A will for Philip's father, HUGH PORTER, was found in Abbeville District, SC. This will was written 2 May 1808 and was proven in Court 18 July 1808. Hugh was predeceased by two children, son James and daughter Violet. "Heirs of my son James" are mentioned in the will but not named. A grand daughter, Mary Chiles Brightman, was named and it is presumed this grand daughter was the child of Violet. Usually, when grandchildren are named in a will it is because the parent is deceased. Mary Chiles Brightman was not married and she was under the age of eighteen at the time the will was written. The other legatees were: son, Philip; daughter Margery; son William; daughter Mary; son Hugh; son John; daughter Martha; son Samuel. Hugh's wife must have predeceased him too as she is not mentioned in the will.

Individual biographical text for Mary Smith

**It is not known for sure that Joseph and Elizabeth Hallum Smith are the parents of Mary as she was not mentioned

in the will of Joseph Smith.** It is troubling in that Mary and Philip Porter named a son, Basil Smith Porter, supposely after Mary's brother, Basil Smith and he, too, was not mentioned in the will.

This copy was "Reproduced from document in South Carolina Archives Department Columbia, S. C. Anderson Co. Wills, Vol. 2, Floating Wills, page 17 - Joseph Smith."

Requests for a copy of Joseph Smith's original will were futile. Along with an identical copy of the same WPA typed will, the 23 May 2000 response from the Probate Court of Anderson County was: This is all that we have in Anderson County. This is a typed copy that was put into a book. We do not have anything else for this time period.

The 7 Sept. 2000 reply from S. C. Department of Archives and History was: The original, signed copy of a will is filed in an estate in the Probate Judge's office in South Carolina. Joseph Smith's estate, filed 1814, is Anderson (Pendleton) Estate #661. It appears that the original will has been removed from this estate, as it was not present when microfilmed in the 1950's.

Only four children are listed in Joseph Smith's will, three, Elizabeth, Milly and Joseph as legacies and son Job as executor. There are so many typographical errors and misspelled words in the WPA typed version of his will that one wonders if the credibility of the entire document has been compromised.

Some Smith researchers have credited Joseph and Elizabeth (Hallum) Smith with having more children than listed in the above will; however, documentation is missing. The following list of their children was found in <u>Smith Wills-Deeds & Family Histories</u>, Vol. I by Linda G. Cheek but Mrs. Cheek included the following disclaimer, "Concrete

proof is still needed on this line."

1. Mary Smith, 2. William Smith, 3. Milly Smith/Basil Smith, 4. John Smith, 5. Rev. Job Smith, 6. Charles Smith, 7. Dorcas Smith, 8. Martha Smith, 9. Elizabeth Smith, 10. Thomas Hallum Smith, and 11. Joseph Smith.

To add to the confusion the following names and dates have surfaced and they are thought to be from the "JOSEPH SMITH Bible:"

MARY SMITH, born 8 Feb. 1768;

WILLIAM SMITH, born 17 Oct. 1770;

BASIL SMITH, born 1 May 1772.

A 2 Aug. 2000 letter from Thomas E. Smith of Shelby, NC says, "The Bible that had the entries of Basil and Mary was referred to as the Joseph Smith Bible probably because it went to Basil's son Joseph and that Joseph and Basil lived next to each other in 1800."

However, MOLLIE (MRS. PHILLIP) PORTER was named in Grace Smith Pettyjohn's book, Memorial Tribute to John Smith and Martha Pickens, as a child of JOB SMITH. This book was written in 1912. The following list of children for JOB SMITH was found in this book: 1. JOHN SMITH, 2. DORCAS SMITH GASAWAY, 3. JOB SMITH, 4. WILLIAM SMITH, 5. BASSIL SMITH, 6. NANCY (MRS. JOHN D. TREADAWAY, 7. MOLLIE (MRS. PHILLIP) PORTER, 8. JOSEPH SMITH.

"WILLIAM, JOB AND BASSIL SMITH were all Methodist ministers. William Smith married Nancy Charles."

The introductory paragraph from this book is as follows, "Records of the Smith family are very meager. From the best evidence obtainable it is known that Job Smith, of Scotch-Irish descent, served through the Revolutionary War as a soldier form the State of Virginia, and afterwards went to South Carolina and secured a large grant of land from the State and settled by the waters of Three and Twenty Creek, on which land his body now lies buried."

Grace Smith Pettyjohn credits older family members, named in her acknowledgement, for supplying information about the early history of this "Smith family." It is important to remember this book was created in 1912, some hundred and forty-three years after the birth of Mary Smith. With the acknowledgement that records about the Smith family were very meager, it is presumed she relied on oral history passed from one generation to another for the conclusions presented in her book.

There doesn't seem to be any conclusive evidence that MARY SMITH, wife of Philip Porter was the daughter of either JOB SMITH or JOSEPH SMITH and his wife Elizabeth Hallum. It is entirely possible that both of these families had daughters named MARY SMITH and that they may not be the Mary Smith, who was the wife of Philip Porter.

Evidence that Mary Smith Porter was well acquainted with a JOB SMITH, prior to and during the Revolutionary War was found in Linda Cheek's Smith Wills-Deeds & Family Histories, Vol. 1: Mary Porter made an affidavit 17 Sept. 1834 in Pickens District, SC for Job Smith (Rev. War pension application #21983) "That she was personally acquainted with Job Smith in the time of the War. That she lived about 1/4 mile from said Job Smith and that her father and Job Smith entered the service together. Their families were so close that they were together almost every day."

Additional information about JOB SMITH was found in <u>GENEALOGICAL ABSTRACTS OF REVOLUTIONARY</u> <u>WAR FILES</u>, Volume III: N-Z, pg. 3196: # 21983 JOB SMITH: GA and SC Line. Soldier was horn' 25 Dec. 1748 in York County, PA and he lived in St. Paul's Parish in GA & in SC during the Revolutionary War. Soldier applied for a pension 6 Oct. 1834 in Pickens District, SC where he had lived for 45 years. Soldier had also received a SC pension, soldier died 8 or 10 Nov. 1837 in Pickens District, SC. In 1856 Mary Right or Wright & Lourany or Lurany Smith were the only surviving children of the deceased soldier. In 1856, a Harvey A. Smith & William Smith were of SC but their relationship "if any" to soldier's family was not given.

A copy of the entire the JOB SMITH REVOLUTIONARY PENSION APPLICATION; FILE # S.21983 was ordered from the National Archives. Part of this pension application is included here as it may provide clues for finding additional information about the parentage of MARY SMITH PORTER.
