PRESIDENT'S MESSAGE FOR 2004

It is with some regret that I say goodbye to the position of President of the Old Pendleton District Chapter of the South Carolina Genealogical Society, but as they say, "All good things must come to an end."

These last two years as President, and the preceding two years as the Vice-President of the Chapter, were very rewarding years for me. I was fortunate to have a very high caliber staff of officers to work with. We were able to work together beautifully.

We have a very good slate of officers coming on board to carry on the work during the coming year. I am sure we will enjoy the programs.

I want to say thanks to each of you for your consideration and help during my terms in office.

May the Lord bless you and keep each of you in His care.

Charles Head

Taliaferro Family

The coat-of-arms that was adopted by the English branch of the Taliaferro family bears the motto Vireseo, meaning I flourish, thus signifying the union of the Plantagenet and English line of rulers.

The Italian crest (left), which is generally accepted as the most authentic, has been adopted by the Virginia branch of the Taliaferro family. Motto: Fortis et Firmis

Welcome to the Taliaferro Family Site. Although I maintain it it is a group effort and if you use material from it credit should be given to all Taliaferro Family researchers. Not all info is documented so there will be errors and omissions, I welcome any corrections and additions. Also photos would be appreciated whether if they are of family members, their homesteads or headstones. Photocopies of any documents also are welcome. I hope you enjoy the site.

Bartholomew

Born in 1540 in Venice Italy, he was the subject of the Duke of Venice who settled in London and was made a "denizen" in 1562. He paid 20 schillings for Letters of Denization in England March 4, 1562. Lived in various parishes in London until his death. Buried September 22, 1601 at St. Olave's Hart Sreet, London. Will dated 18 Sept 1601, proved 3 May 1602. (P.C.C. 29 Montague). Married Joane Lane 1 Jan 1583/4 at St. Michael's, Cornhill, London. Se subsequently married Thomas Gray of Whitechapel County Middlesex, widower, 15 May 1602, at St. Olave's, Hart Street. He was buried 12 June 1617 at Whitechapel and his will was dated 12 May and proved 17 July 1617. Robert, the first of that name in Virginia was the grandson of Bartholomew Taliaferro. This particular family of Taliaferro was the only one found mentioned in the probate records of the Prerogative Court of Canterbury and of London and that after 1647 the name entirely disappeared from these probate records. Letters of administration of the estate of Francis Talafero were granted on the 20th of August 1647 to his daughter Anne, not to his son Robert as we might have expected had he been in England at the time. Robert was then aged twenty years and nine months.

Portions of the will of Bartholomew TALLEFER read as follows:

"To my four sons Scipio Fraunces Isack and Jeromme Two hundred pounds sterling when they shall be of the age of Twenty one years.

To Elizabeth my daughter to be given at her marriage one hundred pounds sterling, meaning that she shall not marry until she be of the age of sixteen years or according to the will of her mother.

To Jone my wife one hundred pounds sterling, if she marries again. If she does not, she is to have the profits of all my estate, and then one hundred pounds when my sons are of the age of twenty one years.

I ordain my overseers of the things contained in this my Testament and Last will John Francisco Soprani Fraunces Rizzo and Phillippe Bernardi.

I do give five pounds sterling to our parish of St. Ollaves on conditions that they shall discharge my family of the taxation of the poor of the said parish so long as my wife, sons and daughter shall jointly dwell in the same. And not discharging them of the said taxation they shall pay them nothing.

Unto Margery my servant five shillings sterling.

I declare that I have two obligations of Cornelius De Neme, one of one hundred pounds which is paid, but the other of one hundred and twenty five pounds is in force and is due to me.

Made in the City of London the eighteenth day of September 1601 Subscribed in the presence of Jeromme Lopez Pompilio Gaetani Henry Valesi William Parkyns. May 3, 1602. Letters of Administration granted to Joan Taliaferro the relict of the said deceased."
