Resolutions Adopted By Old Soldiers

Pickens Sentinel 13 Jun 1918, page 1

The following resolutions were unanimously adopted by the Confederate veterans at their annual reunion in Pickens June 3:

Whereas, since our last meeting, in annual reunion, many of the veterans of Pickens County wanted to assemble with us on June the third and partake of the hospitalities accorded us and renew old associations, have passed over the river and gone to their final reward, and we desire to pay our last tribute to them in recognition of their courage as soldiers and their loyalty to the best traditions of our country as citizens:

Be it resolved by the United Confederate Veterans of Pickens County, in annual meeting assembled –

That we deplore the loss of our comrades who have gone before us. That we extend to their families our sincere sympathy in the loss sustained by them, which loss we sorely feel.

That, recognizing the transient nature of this life, we commend their loved ones to the fatherly care of Him who doeth all things well, and rejoice with them in the consciousness of having enjoyed the companionship of men whose lives have been an inspiration to the younger men of the country, and a benediction to all the people.

Following is a list of veterans who have departed since June 3, 1917, so far as the same has been officially ascertained: **David Hendricks, T. F. Nelson, Peter C. Thomas, Theodore Smith, Josephus Chapman, Benjamin Holder, T. L. Norris, Henry Lewis, Harrison Rigdon, Garrison James, and John A. Higgins.**

Whereas, the United States is involved in one of the bloodiest wars in the history of our county and of the world also.

And whereas, it is the duty of every citizen that is a loyal American to do all that is in their power to help bring this war to a successful and victorious end. And whereas, we realize the awful burden of responsibility that rests upon the President of these United States, and how much he needs the prayers, sympathy and support of all the people. Therefore, be it resolved:

1st That we, old Confederate veterans of Pickens County, S.C., in annual convention assembled, while we are too old to cross the sea and take up arms in actual service, we thereby pledge to give him our prayers and all the encouragement that we can.

2nd That should the time every come that the German horde ever set their tyrannical feet on American soil that we pledge to the President our very best services, and if necessary our lives for our county.

3rd That we call upon all of our countrymen to cease not, day or night, to call upon God Almighty to guide and direct our leaders at the front and at this dark hour of our country's history that the bloodiest of wars may speedily come to an end.

This done in our annual convention at Pickens, S. C. on June 3rd, 1918.

Whereas, we realize that the old Confederate soldiers are fast passing away and a great many of them by reason of old age are incapacitated for manual labor:

And whereas, our state has never done what we think she should have in the past.

Therefore be it resolved by the Confederate veterans of Pickens County in our annual convention assembled – That we will not support any man for office in Pickens County or the State of South Carolina from governor (down to coroner) who is not in favor of giving all old Confederate soldiers a liberal pension.

That a copy of this resolution be sent to our county papers with a request that they publish the same.

Pickens County historians know that the above names are related to the family of W.E. "Woody" and Julia Harrison Woodson.
