Grand Jury of this Judicial District is not made into an **Election District of Pendleton** has not been made into two Election Districts having been divided into two Judicial Districts. Copy of this presentment be furnished the Senator and Representatives of the District of Pendleton to be presented before Legislature.

2<sup>nd</sup>. We also present as a grievance that there is no sufficient Law (or if there is that the same is not executed) against idle and disorderly persons who travel about the country passing Spurious and Counterfeit Bank Notes.

**Page 31 of manuscript, page 118 in Journal. October 5, 1831. B.J. Earle, Esquire presiding.** 3<sup>rd</sup>. The Grand Jury. We present as a grievance that the Legislature at the Last Session by an Act entitled *An Act to Establish certain Roads, Bridges and Ferries* by the 23<sup>rd</sup>. Section appointment Commissioners to Lay out a Road from Pendleton to Pickens Court House.

Commissioners have determined upon a route which will do great injury to individuals and will be a grievance to the citizens to make it, and that the said road is unnecessary, there being other roads already open which if well worked would answer a much better purpose, than to cut other roads and leave all in bad order.

4<sup>th</sup>. We present as a grievance that the Legislature or any other power should have the right or should exercise it too cut roads through any person's land without compensation to the owner, unless the owner consents.

## **Note from Paul Kankula**

For your info -- The past 12 months have been mind boggling ones for me, but I'm still alive after having a 6-1-17 very near death stroke.

1. Ancestry decided to take all my Rootsweb hosted GenWeb Project webpages off-line. This resulted in tens of thousands of broken hyperlinks.
2. Then Ancestry then decided to take my Rootsweb hosted Cemetery GPS Project off-line. Again, tens of thousands of broken links.
3. Then the USGen Project decided to move all 4 of my county GenWeb projects to another server. Again, thousands of links needed to be changed for Abbeville-Anderson-Oconee-Pickens counties.
4. Then the SCGS decided to switch to another server, which took Anderson-Camden-Greenville-Pendleton Chapter websites off-line. This resulted in these websites going off-line because of broken hyperlinks.
5. Then the SCGS agreeded to re-new my Cemetery GPS Project but on their new server -- what a challenge getting it back on-line, but Janice Mahafney & Ted Burgess of ACGS have been helping me. See <http://www.cemeteryscgs.scgen.org/index.html> (It's still being worked on, but we'll get it done.)

Ancestry is making no promises, but it sounds like in late 2018 or 2019 their #1 & #2 hosted Rootsweb websites will be back on-line. So these problems won't get worked on. However, all their Message/Query Boards are now back on-line. See <http://boards.rootsweb.com/localities.northam.usa.states.southcarolina.counties/mb.ashx>

You might want to advise your members of the attached new hyperlinks.
