## About Our Chapter

The Old Pendleton District Chapter of the South Carolina Genealogical Society is a nonprofit, 12-36-2120(40), educational organization designed to unite those interested in the Pickens and Oconee Counties, South Carolina history and family genealogy; to encourage the preservation of documents and records; to promote educational programs; and to publish local records, history and family genealogy. The Chapter's primary goal is to assist others in their search for their ancestors and origins of birthplace.

The Chapter meets every month, except July, August and December. Meetings are held on the third Tuesday of the month from 7 to 9 p.m. at the Central-Clemson Library.

The Chapter's genealogical and historical archives are housed at the Clayton Family History Center, located in the lower level of the Rickman Library on Southern Wesleyan University campus in Central, SC. This collection contains about 3,500 books and files on family histories, state and county sources, military histories, cemetery records, immigration and passenger lists. Instead, we would have an open forum of updates from officers and anyone that would like to share information about their research or ask questions about problems they have encountered along the way.

Barbara Clark, Editor of the newsletter asked for articles to publish. Also there has been an inquiry as to the state of the Mica Cemetery in Dacusville.

Mr. Walker informed us that the Historical Room at the Wahalla Branch of the Oconee Library System is adding new books and the family history books are now in proper order. Oconee County is working on their time capsule. Quientell is now researching his mother's family.

Anne Sheriff, Archivist and Representative to the State Board of Directors gave the following report: Sesquicentennial articles appeared from the *Keowee Courier*. See CHRONICLING AMERICA for issues of the *Greenville Mountaineer*, *Greenville News*, and *The Anderson Independent* newspapers. The TIME CAPSULE of Pickens County was as large as a coffin. Mildred Brewer helped Anne at the Museum with opening the old capsule and cataloging the contents as well as gathering material for the new capsule.

Some of the collections now at the Clayton Room at Southern Wesleyan University are as follows: The Julia Alexander Collection, the Bess Bowen Collection, the Herb Hendricks collection which includes some Smith Family records, collection from the Pickens County Historical Society (photos), materials from Hyatt Printing and Bivens Hardware.

Plans are well on the way for the SCGS 2019 Summer Workshop which will be the second Friday and Saturday of July. This year there will be a Silent Auction, many door prizes and speakers. More information will be forthcoming in the months ahead. The evening ended with time of fellowship and refreshments.

Judy Long and Brenda Meyer provided refreshments. There were 20 in attendance.

Respectfully Submitted, Brenda Meyer, Secretary

### **Pickens County Library**

We will be scanning photos, scrapbooks, or other documents for patrons to their personal USB or flash drives, by appointment (30 minutes each) every Tuesday afternoon between 2-5 pm in March. If anyone is interested, they will need to call the library 864-850-7077 and speak to someone on a reference desk to schedule one of the 30 minute appointments for one of those days in March.

If we generate more interest than we can accommodate, we will try again in April or May, or I will contact the people we were not able to accommodate and schedule a different time. Items will have to be smaller 11 x 17 inches, since that's the largest size our scanners can "see".

Using Ground Penetrating Radar(GPR) for underground mapping we are able to view underground BEFORE you dig. We discover your infrastructure BEFORE there is an issue. We can "see" infrastructure BEFORE you bore that hole or dig that new pipe. In cemeteries we show you where unmarked burials are located BEFORE you sell that lot. Please look at his web site -
