About Our Chapter

The Old Pendleton District Chapter of the South Carolina Genealogical Society is a nonprofit, 12-36-2120(40), educational organization designed to unite those interested in the Pickens and Oconee Counties, South Carolina history and family genealogy; to encourage the preservation of documents and records; to promote educational programs; and to publish local records, history and family genealogy. The Chapter's primary goal is to assist others in their search for their ancestors and origins of birthplace.

The Chapter meets every month, except July, August and December. Meetings are held on the third Tuesday of the month from 7 to 9 p.m. at the Central-Clemson Library.

The Chapter's genealogical and historical archives are housed at the Clayton Family History Center, located in the lower level of the Rickman Library on Southern Wesleyan University campus in Central, SC. This collection contains about 3,500 books and files on family histories, state and county sources, military histories, cemetery records, immigration and passenger lists. For more information send email to claytonroom@swu.edu.

The public is welcome to visit the Clayton Center whenever the Library is open.
